## CENTRAL INTELLIGENCE GROUP

-2-

76804

Rails	19,696
Intra-Furnace deliveries	313,571
<hr/>	
Total	634,655 tons

2. a. During the month of May 1946 the following amounts of steel were shipped to:

Ministry of Communications	22,326 tons
Ministry of Reconstruction	8,885
Ministry of Public Security	747
For Export	31,780

- b. Exports During May 1946:

USSR	12,850
Norway and Denmark	9,130
Sweden	4,550
Switzerland and Yugoslavia	5,250
Total	31,780

During the period 1 January 1946 to 31 May 1946 the Soviet Union received from Poland steel products amounting to 559,931,328 zlotys.

3. a. Production of Coal from January 1 - July 31, 1946 - 20,362,456

Coal mined in June 1946	3,618,318
Coal mined in July 1946	4,083,852

- b. Out of the production of 20,362,456 tons of coal 12,375,520 are for export. Of this over 60% goes to USSR. The Soviet Union pays from 12 to 16 zlotys per ton. The mine is forced to pay one U.S. dollar for every hour that the locomotive is kept waiting at the mine and 50 cents per hour per car in the event that the cars are not immediately loaded.

EVALUATION OF CONTENT

Correction

On 14 May 1947 a document was disseminated bearing the above heading and number. Through an error "German Repatriates" was included in the title, which should read "Iron, Steel, and Coal Production."

This document contains information affecting the national defense of the United States within the meaning of the Espionage Act, 50, U.S.C. 31 and 32, as amended. Its transmission or the revelation of its contents in any manner to an unauthorized person is prohibited by law.
